Mr. Chris Lavery

President, Alamosa Volunteer Search and Rescue

Dear Mr. Lavery,

I want to once again thank the Alamosa Volunteer Search and Rescue team for the assistance you provided me recently on Ellingwood Point. The severity of the weather that early in the day caught me off-guard, and I learned a lot from that experience. Among other things, I have invested in a good waterproof coat and trousers. I also purchased a COSAR card, which I know helps support organizations like yours throughout the state.

Please accept the enclosed donation as an expression of my gratitude and support for your ongoing operations.
