Kevin A. Hayne - 9/17/91 to 6/15/10

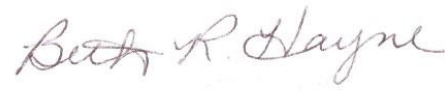

Dear Alamosa Valley Search and Rescue:

Enclosed, please find a \$500 donation to the AVSAR organization. Thank you for the important service you provide.

It was only recently that we ran across your website and the account of your recovery of our son, Kevin. Back in June of 2010, Kevin and his climbing partner were on Little Bear when Kevin fell from the hourglass section, later passing away on the mountain. Although we were in contact with the Alamosa sheriff during that time, we did not realize that it was the hard work of the AVSAR volunteers that actually helped bring our son home to us. We cannot begin to express how grateful we are to each of you and the service AVSAR provides. We hope that this donation can help in your ongoing training and rescue efforts. Please know that even in a tragic outcome, your efforts are deeply appreciated and valued. You will always be in our thoughts and prayers.

With our deepest thanks,
Onwards!
